About the Finish

Matt Bronze

An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

Useful Information

- Lever Handle for internal doors where locking is not required
- If you are replacing an existing Lever Handle, this Handle will work with a Standard UK Tubular Latch
