### About the Finish

#### Matt Bronze

An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

### Useful Information

- For ease of installation, drill a small pilot hole for the grub screws otherwise when trying to tighten these up in hard wood the screws may ring off and new grub screws would be needed.

### Box Contains

- 1 x Edge Pull
- All fixing screws and fasteners
