About the Finish

Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

Useful Information

- For ease of installation, drill a small pilot hole for the grub screws otherwise when trying to tighten these up in hard wood the screws may ring off and new grub screws would be needed.

Box Contains

- 1 x Edge Pull
- All fixing screws and fasteners
