### About the Finish

#### Satin Nickel

With its honeyed grey tone created by brushed nickel plating on brass, this finish closely matches Stainless Steel but offers a warm and subtle alternative which is popular in traditional and modern décors.

### Useful Information

- For ease of installation, drill a small pilot hole for the grub screws otherwise when trying to tighten these up in hard wood the screws may ring off and new grub screws would be needed.

### Box Contains

- 1 x Edge Pull
- All fixing screws and fasteners
