### About the Finish

#### Rustic Pewter

Our products are produced from an alloy known simply as white bronze, which is subjected to a mild oxidization process to create a pleasing pewter-like colour. Pewter is a living finish and may oxidize (darken) over time, particularly if installed outdoors.

### Useful Information

- If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes

### Box Contains
