### About the Finish

#### Matt Bronze

An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

### Useful Information

- These are used vertically, and need to be recessed into the door.
- If unsure, use a surface mounted bolt which will not require recessing into the door

### Box Contains
