### About the Finish

#### Matt Bronze

An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

### Useful Information

- If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes
