### About the Finish

#### Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

### Useful Information

- Lever Handle for internal and external doors where locking is required.
- If you are replacing an existing Lever Handle, this Handle will work with a Standard UK Sash Lock
- For new doors you will also need to purchase a Sash Lock in a size to suit your door
