Product Dimensions (All dimensions are in millimeters unless otherwise indicated)

Backplate 4" x 3"

About the Finish

Matt Bronze

An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

Useful Information

- Fire doors are required to have 3 fire certified hinges
- Fire door hinges should be CE marked along with a fire identification stamp which is easily visible
- Fire rated hinges are tested with intumescent packers fitted behind each leaf. It is essential that fire rated hinges are installed with intumescent hinge packers, also referred to as hinge pads and hinge plates
- 1mm packer is required for use on FD30 rated fire doors and a 2mm packer is required for use on FD60 rated fire doors

Box Contains

- 2 pcs Hinges
- All fixing screws and fasteners
