About the Finish

Satin Nickel

With its honeyed grey tone created by brushed nickel plating on brass, this finish closely matches Stainless Steel but offers a warm and subtle alternative which is popular in traditional and modern décors.

Useful Information

- Lever Handle for internal and external doors where locking is required.
- If you are replacing an existing Lever Handle, this Handle will work with a Standard UK Sash Lock
- For new doors you will also need to purchase a Sash Lock in a size to suit your door
