About the Finish

Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

Useful Information

- A cranked casement stay pin designed for use with a casement stay when the window sash finishes flush with the frame and there is nowhere to fit the standard stay pin.

Box Contains

- 1 x Casement Stay Pin
- All fixing screws and fasteners
