### About the Finish

#### Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

### Useful Information

- This product is used on Sash Windows to provide a traditional decorative appearance and keep the windows shut
- This product is not a Security Lock

### Box Contains

- 1 x Sash Fastener
