About the Finish

Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

Useful Information

- If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes

Box Contains

- 1 x Cabinet Pull
- All fixing screws and fasteners
