About the Finish

Matt Bronze

An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

- The EPTR range is fitted from the back of the cabinet, please allow for a 2mm gap between drawers, or cut a 1.6mm recess for flush fitting.
