About the Finish

Unlacquered Brass
Unlacquered Brass is a living finish with beauty that evolves. The warm golden tone darkens and mellows overall as the metal oxidises with age, while the areas touched most become lighter and brighter, as repeated handling polishes the surface to a higher sheen.

Useful Information

- The EPT range is top fixing, please allow for a 2mm gap between drawers, or cut a 1.6mm recess for flush fitting.
