About the Finish

Unlacquered Brass
Unlacquered Brass is a living finish with beauty that evolves. The warm golden tone darkens and mellows overall as the metal oxidises with age, while the areas touched most become lighter and brighter, as repeated handling polishes the surface to a higher sheen.

Useful Information

- If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes
- If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes
