Product Dimensions (All dimensions are in millimeters unless otherwise indicated)

Backplate Length	155	**Backplate Width**	40	**Backplate Projection**	10	**Lever Length**	102
Projection	52						

About the Finish

Polished Nickel Finish
With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtlety change over time by taking on an aged patina.

Useful Information

- Lever Handle for internal doors where locking is not required
- If you are replacing an existing Lever Handle, this Handle will work with a Standard UK Tubular Latch
- For new doors you will also need to purchase a Tubular Latch in a size to suit your door
- For a 2 1/2" Tubular Latch purchase a YKTL2N-MB or for a 3" Tubular Latch a YKTL3N-MB
- Where Privacy is required please use a separate Thumb Turn and Release (eg. reference V0678-MB) with a Bathroom Lock (Reference YKBL2N-MB, or YKBL3N-MB)

Box Contains

- 1 pair of Door Handles
- All fixing screws and fasteners
- All fixing screws and fasteners
